REHEARSALS

Most rehearsals will take place within regular class time. There will be two extra rehearsals which **all participants must attend.**

Sunday 30th November– Dress Rehearsal at Simply Ballet studio for All Participants. You will need to be available anytime during the day as rehearsals cannot be scheduled around other events. Most students will be required for 1-2 hours.

Sunday 7th December – Theatre Induction and Onstage rehearsal (Richard Flynn Theatre) - All participants. Rehearsals to be scheduled between 9:00am-5:30pm.

Attendance at these two rehearsals is compulsory for all participants, particularly the Theatre Induction and Onstage Rehearsal at the Theatre. Theatres are working environments and involve many moving parts. The Theatre Induction is mandatory for all participants for safety reasons.

Students must also maintain regular attendance at classes to learn and rehearse performance pieces. If regular class attendance cannot be maintained, a student may need to be withdrawn from part, or all of a performance piece to allow rehearsals to continue in their absence.

Each class will be given the opportunity to learn at least one performance piece, and be involved in the show's finale. Some classes may be combined to produce a singular performance piece if required.
